**Students' Feedback about Curriculum
Report
(2021-22)**

The institution emphasizes on student enhancement and so it gives preference to the feedback obtained from them. Every year students' feedback is taken from the feedback forms and henceforth analysed.

When the Students were asked if the syllabus was need based, 97.2% students replied positively. It reflects that more than half of the students i.e, 93.3% have taken education for the sake of job and the syllabus is career oriented. As per the students' suggestion, 92% students have a remarkable comment that they are fully satisfied with the syllabus taught by the teachers and all the students positively said that the syllabus is completed in time and it serves practical purpose.

They are also found happy and satisfied with fully equipped laboratories and library facilities availed to them. 88.3% students read and use reference books and reading room to full extent. Most of them also expressed their interest and satisfaction in sports and its facilities.

Nearly half of the students feel that the programmes and activities are excellently conducted by the institution.

All well

All teachers staff are good

Dear sir I card nahi mil raha he,, Tutorial from nahi mil rhe. he

All staff is good teaching and if any student have facing problem our sir personal care of the students and resolve the issue.thank you so much sir have a good support.

I want to attend my classes on regular basis . So start the classes (lectures) on a daily basis please.

Due to ensufficient time syllbus is hard to cover also another reason is due to lack of offline collage its hard to understand and

Hii

Staff is good.

Teachers' Feedback about Curriculum

Report

(2021-22)

Every year teachers' feedback is obtained from feedback forms and analysed as a step to ensure the betterment and improvement of the institution. Questions based on curriculum are framed and analysed. When teachers were asked if the syllabus taught to the students is beneficial and related to their routine life, 100% of teachers agreed. To the question if the syllabus designed to modern time, 80% teachers responded positively. when asked if it develop business/soft skills among students, 86.7% said yes it develops and 13.3% said it is not so accordingly, 80% of teachers said that the textbooks available for teaching syllabus are enough while 20% of them said that they are not enough. On being questioned whether the syllabus is too lengthy and detailed, 53.3% of teachers' opinion found it so and 46.7% of them felt it is not lengthy, 100% of teachers found that there is clarity and completeness in the syllabus, and when questioned whether the syllabus taught is enough to build a strong personality of the students 80% of them said yes and 20% of them disagreed.

Here are some suggestions of teachers for creating employment and education system. According to them syllabus should increase employment opportunities, should be skill oriented, Syllabus should be updated, new diploma courses should be introduced, annual teaching pattern should be implemented and focus must be on practical education.

I think syllabus must be updated.

Efforts to increase the interaction of student and society.

Need to changes in syllabus of relevant, Modern Era ...

New Syllabus will be implemented as per University guidelines from next academic year

No comments

Whole syllabus is helpful for students

More applications should include in syllabus

Good

Depend of commercial education syllabus

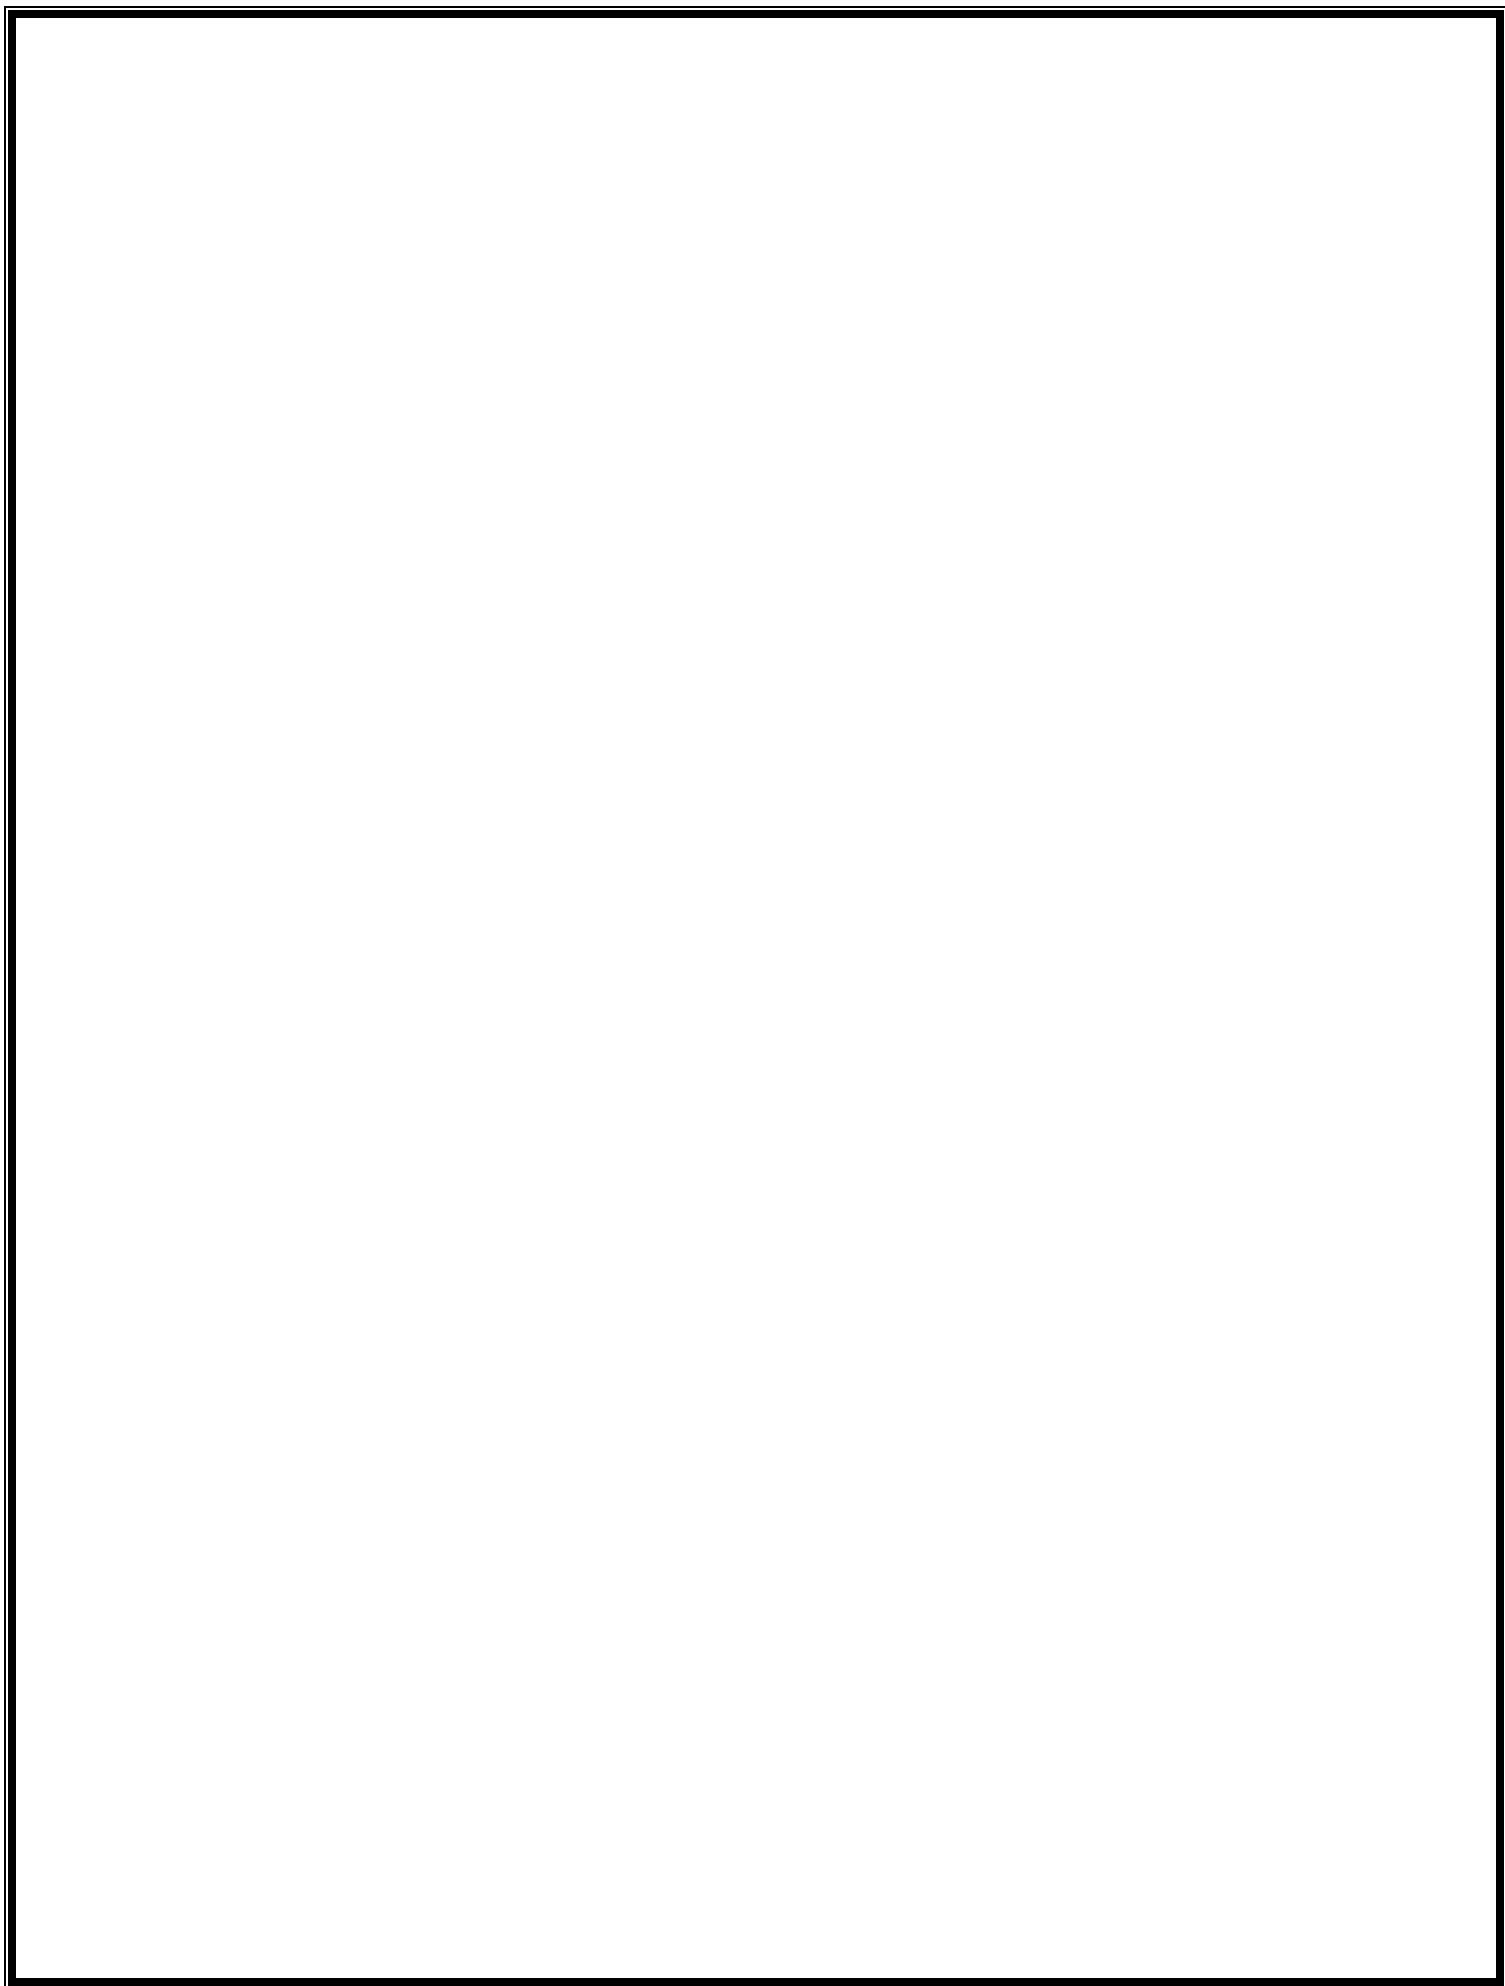

The Curriculum have to Imp.content.Because it will play the important roles, inhance the knowledge & It can Helps to placement of students Thanks.

No

Syllabus is not develop soft skills in students

Nil

Syllabus should be produce soft skills in students

**Alumni's Feedback about the Curriculum
Report
(2021-22)**

The analysis of the feedback taken from the alumni of the College reveals 92% of the alumni students said that the syllabus is properly designed to meet the expectations and cotemporary demands of the students and at the same time 8% disagreed. When alumni were asked if the degree syllabus is related and beneficial to the routine life of the students, 94% said it is useful and 6% found it unrelated. Also the alumni group was also expected to say if the present syllabus inculcates human values or not, 97% said they do and 3% said they do not think so. The next question was related to skill development and good habits among the students through the curriculum, so 93% gave positive feedback and 07% responded negatively.

The following are the suggestions given by alumni group regarding improvement of employment opportunities from the syllabus. They said it can be achieved through skill development from traditional education system, and by promoting student participation.
