Students Satisfaction Survey Report 2023-24

During the academic year 2023-24, the college has undertaken students satisfaction survey online link is send on 14/02/2024 and report collected on 06/03/2024. In this survey 240 students were participated from various departments in the college. A questionnaire consisting of fifteen questions were framed and duly filled by the students.

The questions are based on the admission process college time table, seating arrangement, use of I.C.T for teaching, laboratories, workshops, text books, reference books, newspapers, transaction of library text books, use of library e-sources, clean surroundings, provision of drinking water, playground inside the campus, sport equipment, quality of food items in college canteen, college washroom facility, curricular and co-curricular activities held in college discipline in college campus and lastly suggestions of students were taken.

It is observed through the survey that 97.1% of the students are satisfied about admission process whereas only 2.9% of the students were not satisfied with it. Regarding the college time table 97.1% students are satisfied and 2.9% are not satisfied. 93.3% of the students are satisfied with the seating arrangement of the classroom while 6.7% students are unsatisfied. An around 92.9% students are found satisfactory with the use of I.C.T. for teaching whereas 7.1% of the students are not satisfied. It is found that 95.4% of the students are satisfied with well-equipped laboratories and only 4.6% of them are unsatisfied. About 96.3% of the students are satisfied with provision of text book, reference books, magazines and newspapers while 3.7% of students are not satisfied. It is also observed that 92.1% of the students are satisfied with the co-operation of the library attendant during the transaction of books whereas 7.9% of the students are not satisfied. Around 80% of the students are satisfied and also use e-sources of the library and about 20% are unsatisfied. Regarding the availability of sufficient pure drinking water 92.9% shows satisfaction whereas 7.1% shows dissatisfaction about the quality of food items of the college canteen around 84.2% of the students are satisfied while 15.8% are not satisfied with it. Regarding the availability of sufficient washroom facilities 91.3% shows

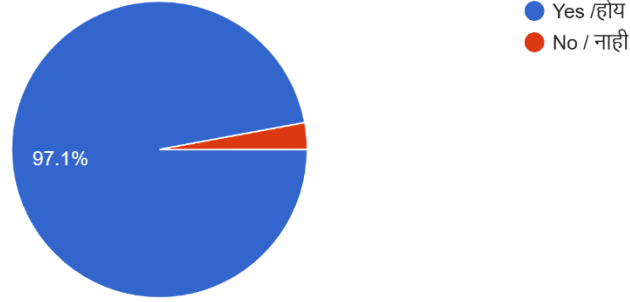

satisfaction whereas 8.7% shows dissatisfaction. Regarding the playground facility in the college campus and sufficient availability of sports equipment 93.8% are satisfied whereas 6.2% of them are unsatisfied. 97.5% of students are satisfied about the college parking and 5.2% of them

are unsatisfied. For the overall development of students, the college runs various curricular and co-curricular activities which 96.7% of students are satisfied with it 3.3% are not satisfied with it. Regarding the college discipline 96.3% of the students are satisfied and 3.7% are not satisfied. In this way we get all yes or no response from participated students.

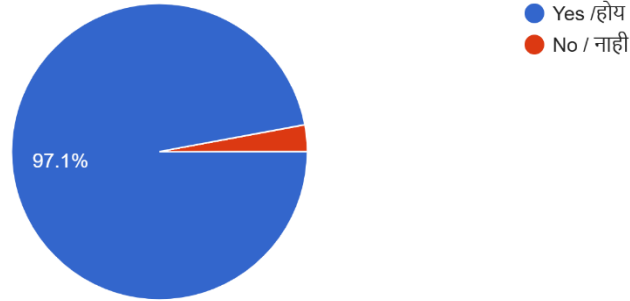

From the above observation some of the students have given below feedback: it can be concluded that some of the students have opinion that there should be necessary to sports facilities provide to the student not sufficient, to improve the quality of food item in the college canteen also there should be not sufficient washroom facilities in the college, the classroom must be kept clean, to develop e-learning sources, provide regular drinking water, according to Bio-tech students there should be a separate laboratory for tissue culture and must be provided with white acrylic board, college uniform of the students, clean toilet, clean classroom, provide permanent wifi and internet connection, more discipline maintained in library, Tree plantation in backside of college, as well as there must be restrictions on the entry of outsiders in the college campus, etc. In this way student satisfaction survey report is given in this year.
